U.S. PAT.

Kenneth Howerton
Received

Kenny,

P.S. ignore all my
hasty comments.

I really don't know how to start this out,
but of ~~gee~~ I'll give it a try.

First off I want to tell you how
much fun I have when I am with
you. Even if you are kind of crazy and
strange, I like you any way. I won't tell
you how cute you are because you already
know that. (Not really - I just love to make
you mad at me!)

I hope you'll always remember the
day you took my crutches, and I couldn't
walk on my ankle! Never forget the day my
horse fell on me. It was sort of funny com-
to think about it. To think I spent 5 days
in the hospital coming over to see you
makes me wonder about you.

I hope you don't give all the girls too
bad a time. I think we're all getting wise
to you. Not really, we all love you. Don't be
such a heart-breaker, be more sneakier
like me. It's more fun that way.

I want to thank you for being a shoulder to
cry on last Sunday. Or helped me beyond me-
and. Or seems I'm running out of space, so
I'll end it. Always remember me and all our
fun! "Monte Vista" Love, Vance The Very Best -

1964

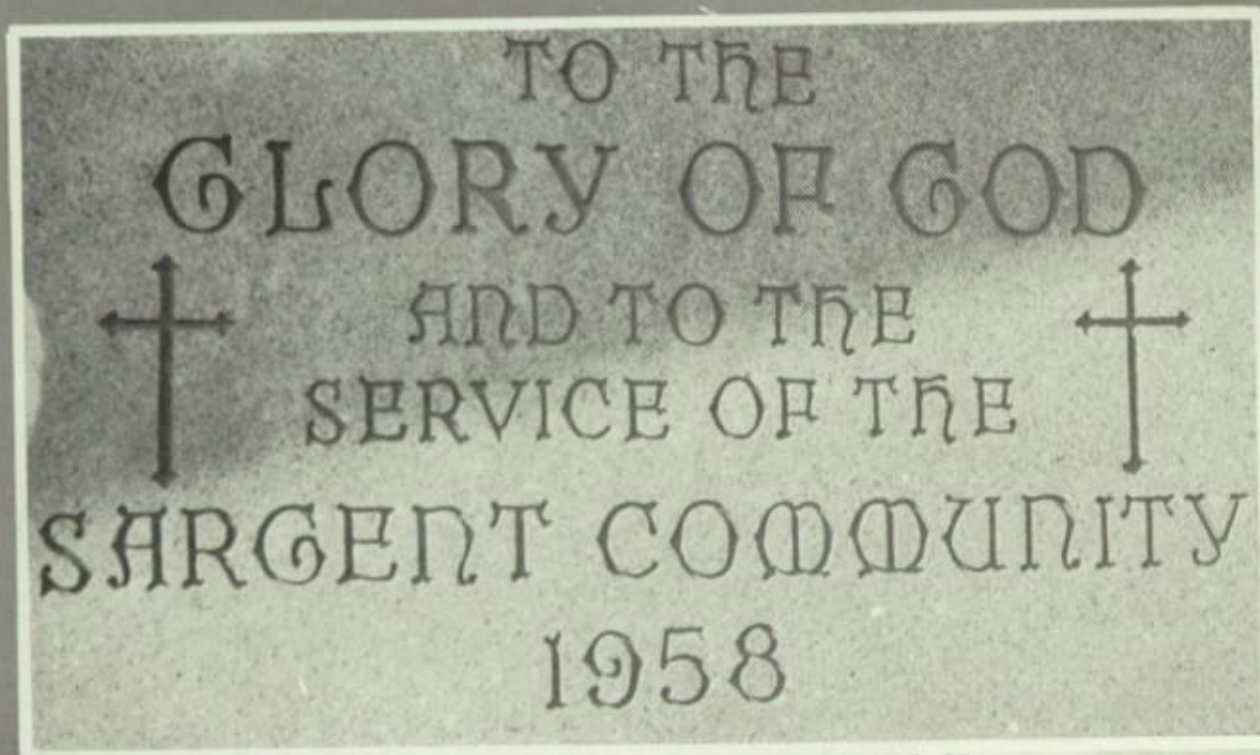

What is a successful yearbook? We, the annual staff of 1964 believe that a successful yearbook is one that gives a complete and accurate account of the highlights of the past year. It must include both the important scholastic achievements of the students and the effective social activities and accomplishments.

It is with a sincere desire that we have accomplished this goal that we, the graduates of 1964 present to you, the students of Sargent High School, the 64 Sarcon.

You Never Know

----- God sows His blessings
like His seeds,
No special hour or place; the
moment of our saddest needs
we often see His face.
In hours of joy and hours of care
just anything and anywhere,
His fairest flowers He seems to sow
along life's road--you never know.

Production of the "SARCON" began way back in September. We spent the first few weeks choosing the type of book, cover, and theme. After carefully deciding these things, we started to learn a little about turning out our yearbook. Under Mr. Keith Fisher's guidance and hard work, we turned slowly from a pretty green crew to a fairly capable group. We met our deadlines somehow and kept on schedule.

Now that our yearbook has been completed, we have a picture record of the year 1963-64, one that we shall always cherish and remember.

FALL

Officials Delve Deeply To Find Solutions

Working as individuals, yet functioning as a whole, Sargent's administrators and Board of Education form the nucleus around which Sargent revolves. Dedicated to the ends of education, the closely interrelated units work tirelessly on their assigned duties. It is with an ever increasing recognition of their dedication that we extend our appreciation to the School Board members and the administration of Sargent High School.

Typical School Days

Curricular or extra-curricular, SARGENT'S clubs and classes were of immeasurable worth. While some were built around career planning, some on specialized interests, and still others on plain enjoyment, these activities gave students many experiences vital in the importance in the well-rounded SARGENT educational program.

Varsity Football

After a slow start a small, but determined Farmer team caught fire to surprise the two top ranked teams, the Saguache Indians and the LeVeta Redskins, by giving them the best game of the year.

The fifth game resulted in a 33-12 win over the Fairplay Burros. The team reached their apogee with a 19-13 cliffhanging win over the Thunderbirds from Sangre DeCristo. After the smoke had cleared, the team came out a respected fourth place in the league with a three win, four lose record. Fine performances were shown during the season by All-Conference end Bob Metz and All-Conference back Don Campbell.

But coach, we're sure they have more than five players out there!

The farmer "A" squad led by the league's leading scorer, Bob Metz, had a better than expected season. Though they were always the shortest team on the court, they showed fine spirit and desire throughout the season to rate as a top contender for the Class "B" Circuit. The farmers climaxed the season by taking consolation at the district tournament at Alamosa. Much credit is to be given to our coach, Mr. Haney, for the fine work he has done with our team this year.

TEAM CAPTAINS

A young, up and coming team of Sargent Farmers ended their season by posting a record of three wins and seven losses. Although the team record wasn't to impressive, the Sargent team will be hard to beat in the coming years. Of the eight teams represented in the District Tournament, Sargent pulled in a fourth, with Ron Mc Alpin placing first and Don Campbell and Alvin Gonzales placing second. The three boys accompanied by their coach, Ray Judkins attended the state tournament in Denver, but finding the going tough, the boys failed to place. The team hopes for a better showing next year.

Senior Play

The Green Vine

On March 25, 1964, the Senior Class presented "The Green Vine". The play is a story of Cousin George Brand who after his death has a notion that his relatives will be in need of guidance and financial assistance, so he comes back from "over there". His relatives do return to the Green Vine as a sort of refuge and each secretly depends on Cousin George's help. And in the end each does receive his help.

Whether stepping out in traditional line-of-march style or maneuvering in novelty formations at athletic events, Sargent's marching band was a peppy, colorful adjunct to school spirit. Showmanship reached its peak at the Annual Boulder Band Day, held in Boulder, during October. The band received a "I" rating at this event. Under the direction of Calvin Doty, the band had a very successful year. Through his tireless efforts the Sargent students gained many new experiences and many happy moments.

This is Music????

Music Fills The Air

Sargent's 47 member black and gold choir, under the direction of Calvin Doty, made wonderful music wherever it went, particularly at the Fall Concert. The repertoire of this choral group again upheld the standards of fine music.

Highlighting the year were the Choir Clinic held in Alamosa on February 21st and 22nd and the Annual Choir Contest held at Salida on April 24th.

The girls have a gab session while the boys work on their piece for contest.

THE UNSUNG HEROES
CLEAN UP! SCRUB UP! COOK UP! FEED UP! Yes, Farmers, this could be a bolstering pep yell for all of the loyal workers who make life comfortable for all of us at Sargent: Feeding a "starving" student body in twenty minutes was a challenge to our cooking staff - a challenge well met. Our buildings transpired a warm and welcome sight to everyone who entered its halls, thanks to Mr. Goad and Mr. Hunt. Those students who required medical care were greeted by the warm and friendly face of the school nurse, Mrs. Jackson. Yes indeed, much credit must be given to these "unsung heroes" who have worked so diligently to make this year one of the most enjoyable ever known.

Tracksters Gain

Senior Tracksters and Coaches

Having lost most of their experienced tracksters in last year's graduating class, this year's track team lacked the needed experience and size. High spirit and moral, however, pushed the boys to a fifth place win at the Alamosa relays and a fourth place win at the Sangre de Cristo meet. The lead Senior trackster Don Campbell, entered the District meet and placed fourth in the 100 yd. dash and the 220 yd. dash.

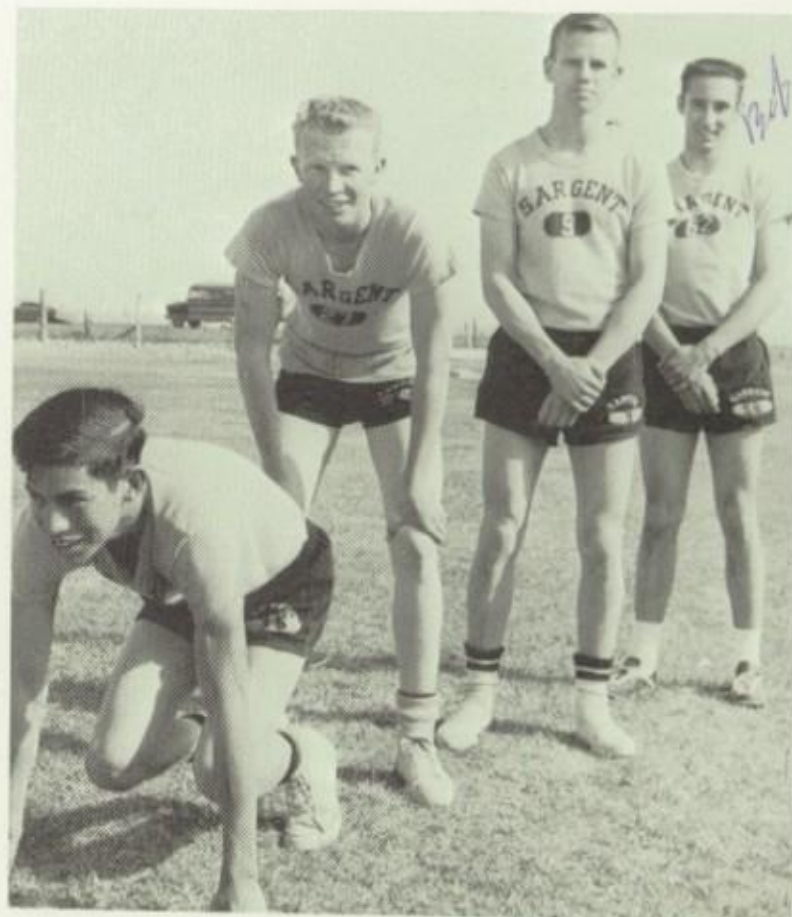

A better team is expected for next year.

Kenney,
 well, once again
 we start off on our
 year together. I hope
 that this year will be
 even more memorable than
 the others. Don't get too
 many of them "Monte girls" and
 try to be a good boy even if it's hard.
 I take that back. It's more fun to be
 a bad boy. Have fun!!
 Lots o' luck.
